- 1:1 individual coaching session from experts in leadership and business strategy
- The opportunity to hone your leadership skills through training and observation via supporting other powerful women in the program.
- Channelling your talents into amplifying your impact and income.
- Learning the best business practices and career pathing strategies in this new and growing economy.

YOUR FACILITATORS

"B" Gorman is a Co-Active Coach certified by The Leadership Circle. She holds her Juris Doctorate, and a BS in Marketing.

B works with businesses and community organizations with team building, HR support, 360 reviews, strategic planning, and retreats. She 1:1 coaches leaders who seek greater attainment and yearn for more productive and collaborative teams,.

This opportunity is limited to 15 motivated and accomplished women who are ready to lean in, do the work, and grow into leaders who are dynamic, agile, and poised to succeed in today's uncertainties.

This investment is \$1,800 to participate. It requires full presence and active engagement with the topics being explored. The relationships and resources will be developed and customized based on the strengths and needs of the group; thus full commitment in the program schedule is required to derive the full value.

Tawni Janvrin is a trained and certified business strategist, executive coach, and career developer. She is dedicated to helping businesses, organizations, and driven individuals pursue their passion with a plan.

By fusing business strategy with leadership development, she brings out the best in people and drives results.

INCLUDES:

- A personal Leadership Assessment from The Leadership Circle Institution and professional debrief with B Gorman.
- Two in person retreats and five mini sessions.
- A 1:1 session with Tawni Janvrin to cover professional aspirations and strategy
- The Coaching Book for group discussion.
- Complimentary templates and guides for each of the topics covered.

Your journey begins with a mission-critical day-long retreat. This will serve to build trust, establish group synergy, and deep dive on the foundational elements of this incredible opportunity. The following monthly sessions will feature a different leadership subject as well as an opportunity for group engagement/dialogue around the topic and Personal Action Plans. You may choose to participate virtually or in-person. The mastermind will culminate with our last day long retreat to review, assess, and remark on the growth and progress achieved.
